IIIT Sri City — *Sri City, TAP*

PROJECTS

ContractorConnect | *Javascript, HTML, css, nodejs, expressjs, Python, mongoDB* — Jan 2024 - April 2024

* Developed a full-stack web application using node and express for backend
* About the project: a web application that serves as a bridge between companies seeking services and vendors/contractors who provide those services. Companies can upload their tenders, and vendors can upload their quotations based on those tenders, facilitating a streamlined process for both parties involved.
